

MARJORIE GREENE

PROUDLY SERVING THE 14TH DISTRICT OF GEORGIA

IMPEACH PRESIDENT BIDEN!

"In just seven short months, President Joe Biden's policies have caused America to lose the respect of the entire world. The evidence is clear and his policy actions are so egregious that **I have introduced articles of impeachment against President Joe Biden.**"

- 1. Total policy failure and dereliction of duty in Afghanistan by dishonoring our military and leaving Americans behind.**
- 2. Violations of immigration law causing a national security crisis on our Southern border.**
- 3. Policies that usurp the Constitutional balance of power by ignoring the Supreme Court.**

Congress must restore respect for America in order for our allies and our citizens to trust the government. President Joe Biden must be impeached, tried in the Senate, and removed from office."
