CONGRESSWOMAN ABIGAIL SPANBERGER:

A GUIDE TO HOW MY OFFICE CAN HELP YOU.

INSIDE: A Congressional Survey to share your thoughts with Abigail

“I have two responsibilities:
**Serving the people and
 upholding our constitution**”

Congresswoman Abigail Spanberger

Dear Neighbor,

I have sworn an oath to uphold the constitution three times in my career.

First as a federal law enforcement officer and next at CIA where I served as a Case Officer with top secret security clearance. My proudest moment, however, was in January of this year being sworn in to serve as your new Member of the United States House of Representatives.

Serving as your voice in Washington means the stories and requests shared by Virginia families, small business owners, seniors, and farmers set the priorities of my office and inform everything I do as your Member of Congress.

To make working with my offices easier for you, I've enclosed a resource guide that includes:

Contact information for me and my staff, please clip it and post it on your refrigerator (as a mom to three kids, it's my favorite place to store important numbers!).

Guidance on how we help cut through government red tape when you are struggling to get help or answers from a federal agency.

A tear-off survey for you to share your thoughts and concerns, complete it at your convenience and please drop it in the mail.

Please reach out if you have a problem we can solve, an idea you want to share, or a story to tell.

We are always here to help.

Thank you,

Answering your questions and listening to your concerns:

If you have questions on federal legislation and public policy, please attend one of my town halls, contact any of my offices, or complete the attached survey.

Helping secure Medicare, Social Security, and Veterans benefits:

We can advocate for you if you are having trouble accessing benefits or working with any federal agency.

Promoting local communities and small businesses:

Our office is here to assist with local economic development projects, and we can work with you during the application process for federal grants.

Assisting students applying to our military academies: Each year, I have the privilege of nominating a limited number of very well-qualified young people to begin a career of service at one of our U.S. service academies.

Honoring Virginians and local organizations: Our office can arrange to have a United States flag flown over the U.S. Capitol to honor a person, organization, or event. Each flag is issued a keepsake Certificate of Authenticity by the Architect of the Capitol.
