Dear Friend,

I am pleased to share some of the highlights of how productive and effective this year in Congress has been for our district. My office has been hard at work communicating one on one with many of you to bring New Yorkers the results they deserve from Washington.

One of my top priorities is ensuring New Yorkers have access to their resources in Washington, and I am thrilled to share that over \$13.7 million in funds have been returned to constituents across our district in grants, small business loans, tax refunds, stimulus payments, unemployment assistance, and more.

I am honored to serve you. As always, if there is anything I can do for you, please don't hesitate to reach out to my office.

Sincerely,

Nicole Malliotakis
