Congressman Anthony Brown Strengthening Our Manufacturing and Supply Chains To Lower Prices For Marylanders and Strengthen Our Economy

The Infrastructure Investment and Jobs Act makes fundamental and long overdue improvements to our ports, airports, rails, roads, and bridges.

Along with additional funding Congressman Brown has secured, these major upgrades bring good-paying jobs to our region while making our supply chains more efficient and productive – *and a more effective delivery system reduces prices for Marylanders.*

Growing BWI Airport Capacity

Investing in Green Transportation

Improving BW Parkway and dozens of other roadways

11 New Purple Line Stations in Prince George's Co.

Streamlining Port of Baltimore to move products faster and cheaper

Fixing the Metro

Expanding Rail and creating new job opportunities
