**A Report from Congressman Alex X. Mooney**

- Build the wall
- Stop catch-and-release
- End the open border policies

# Congressman Alex X. Mooney opposes the Senate border 'deal' that allows millions of illegal immigrants in every year.

Conservative Alex Mooney opposes Biden Administration plans to let in almost **2 million illegal immigrants** a year.<sup>1</sup> This extreme legislation includes more catch-and-release policies and harms border security.

## Opposing the 1.8 MILLION Illegal Immigrants Every Year Deal<sup>1</sup>

- Allows 150,000 illegal immigrants per month<sup>1</sup>
- Doesn't address the **millions of illegal immigrants already released** by Biden Administration policies<sup>2</sup>
- Does not finish the Border Wall<sup>3</sup>

1. H.R. 815, Senate Amendment 1386, (Section 244B)

2. H.R. 815, Senate Amendment 1386, (Section 3146)

3. H.R. 815, Senate Amendment 1386, (Section 205)

## Congressman Mooney's Secure Border Positions

- Finish President Trump's Border Wall
- End Catch-and-Release
- Stop aid to Mexico until they help stop fentanyl smugglers
- Supported the resolution impeaching DHS Secretary Mayorkas for his border policies

**"I fight for secure borders. President Biden's policies have let in millions of illegal immigrants, making us less safe."**
