A report on Congress' efforts to stop fraudulent voting.

Congressman Alex X. Mooney is fighting to secure our elections.

“I’m working to stop people from cheating in elections.”

—Congressman Alex X. Mooney

Congressman Alex Mooney is working to improve election security and stop cheaters who corrupt our elections. Extreme progressive policies are creating problems at the state and federal levels and destroying the secure, fair, and free elections America deserves.

Congressman Mooney is fighting for real reforms to **stop people that cheat and steal elections**:

- Eliminate the Left’s attempt to censor conservative speech (*H.R. 4563*)
- Prohibit states from keeping President Trump off the ballot (*H.R. 6885*)
- Stop federal funding for activist groups to conduct voter outreach on federal property (*H.R. 8461*)
- **Stop the Executive Branch** from taking federal control of state election processes (*H.R. 7984, 117th Congress*)

Alex Mooney is a cosponsor of the American Confidence in Elections Act:

- Prohibit ballot harvesting
- **Require Voter ID**
- End billionaire funding of election administration
- **Stop non-citizens from voting**
