

CONGRESSWOMAN ERIN HOUCHIN

Helping Hoosiers in the 9th District
receive their hard-earned money

Houchin.house.gov

"We are here to serve. Every dollar returned to a family or individual in Indiana's 9th District is money that belongs to them—not Washington. Whether it's working through the IRS, the VA, or Social Security, we are committed to cutting through red tape and delivering results."

Congresswoman **ERIN HOUCHIN**

My staff and I have helped return nearly **\$3.5 million to constituents across Indiana's 9th District through casework assistance since taking office.**

The recovered funds include IRS refunds, Social Security benefits, veterans' claims, and other federal payments that were delayed, denied, or mishandled by agencies.

Among the many Hoosiers helped through her office was a couple who were owed nearly \$13,000 by the IRS.

"We are so thankful for Congresswoman Houchin and her team for stepping in and helping us recover what we were owed. With seven kids to care for, nearly \$13,000 makes a huge difference for our family. We truly appreciate the support and quick response—we couldn't have done it without them."

- Chelsey Wyatt

Another constituent faced a long delay in resolving a Social Security issue.

"I reached out to Congresswoman Houchin's office after long delays in communicating with the Social Security office. I immediately received a reply from her office wishing to follow up with me. Her staff was instrumental in getting a solution and the problem solved on my behalf."

– Stacey Brasher
